

# How to Fold Your Rugs?- 1

[http://www.oldcarpet.com/how\\_to\\_repair.htm](http://www.oldcarpet.com/how_to_repair.htm)

1. Divide your rug to three imaginary sections.
2. Fold section 1 and 2 on top of section 3
3. Define approximate 1/3 of rug and fold that section once on top of the 2/3 section.

# How To Fold Your Rugs? – 2

[http://www.oldcarpet.com/how\\_to\\_repair.htm](http://www.oldcarpet.com/how_to_repair.htm)

1. You should start rolling your rug from section 4 where both sections overlap.
2. After you rolled the rug use Nylon or cotton rope to tie your rug tightly.
3. Use plastic and wrap your rug. Your rug is ready for shipping!
